

Before Using the Product

Before using the product, please read this document. Make sure that the end users read this document and then keep the manual in a safe place for future reference.

■ Relevant manuals

Before using the product, please read the following manual.

- CW Workbench 4 Operating Manual
SH-081940ENG

The manual is stored in the "Manual" folder on the included DVD.

■ License acquisition

To use this product, the permanent license acquisition with "Permanent License Application Form (PermanentLicenseApplicationForm.xls)" stored on the DVD is required.

For the updated license product, if the CPUs to be used after update are not written in "Target CPU" of Permanent License Application Form, please consult your local Mitsubishi representative.

For the application procedure, refer to CW Workbench 4 Operating Manual.
