<ul style="list-style-type: none"> When attaching the protective sheet, make sure to fit it on the display section closely without leaving any clearance between them. Failure to do so may cause a malfunction. 	

STARTUP/MAINTENANCE PRECAUTIONS	CAUTION
<ul style="list-style-type: none"> Check the status of the protection sheet visually by the daily inspection. When there is too much dirt and cracks, proceeds replacement promptly. Using the productive sheet of decreased visibility may cause a malfunction. 	

DISPOSAL PRECAUTIONS	CAUTION
<ul style="list-style-type: none"> When disposing of the product, handle it as industrial waste. 	

Related Manuals

When using the GT11 protective sheet, prepare the following manual as well. As GT11 User's Manual is sold separately, inquire at our local distributor for it.

Manual name	Manual Number (Model Code)	Contents
○GT11 User's Manual	JY997D17501 (sold separately)	Describes the GT11 hardware-relevant content such as part names, external dimensions, mounting, power supply wiring, specifications, and introduction to option devices.

○: Indispensable manual

For the manuals relevant to GOT1000, refer to the PDF manuals stored in the screen creation software used. For details about a PLC to be connected, refer to the manuals of PLCs respectively.

1. Overview

The GT11 protective sheet (hereinafter called the protective sheet) protects the GOT display surface from blemishes or stains while touch keys are operated. Select the clear sheet (display section) if luminance is more important, and select the antiglare sheet (display section) if antireflection is more important.

The following protective sheets are available:

Model name	Contents
GT11-50PSCB	Clear (Frame: Transparent) 5 sheets
GT11-50PSGB	Antiglare (Frame: Transparent) 5 sheets
GT11-50PSCW	Clear (Frame: White) 5 sheets
GT11-50PSGW	Antiglare (Frame: White) 5 sheets

2. Part Names and External Dimensions

Number	Name	Contents
1)	Display section	For protecting the display section (clear or antiglare)
2)	Frame	For protecting the frame (transparent or white)
3)	Hole for mounting USB environmental protection cover	For mounting USB environmental protection cover
4)	Logos	Only on GT11-50PSCW or GT11-50PSGW (detachable)

3. Installation Procedure

1) Remove the old protective sheet from the GOT holding the lower right corner, and clean the GOT surface.

2) Peel the release paper from the back of the new protective sheet, and attach its adhesive side to the GOT display section. When attaching the protective sheet, make sure to fit it on the display section closely without leaving any clearance between them.

4. Operating atmosphere

Must be free of lamp black, corrosive gas, flammable gas, or excessive amount of electroconductive dust particles and must be no direct sunlight. (Same as for saving) General specifications other than the above are same as those of the GOT main unit.

Refer to the following.

→ GT11 General Description

This manual confers no industrial property rights or any rights of any other kind, nor does it confer any patent licenses. Mitsubishi Electric Corporation cannot be held responsible for any problems involving industrial property rights which may occur as a result of using the contents noted in this manual.

Warranty
Mitsubishi will not be held liable for damage caused by factors found not to be the cause of Mitsubishi; opportunity loss or lost profits caused by faults in the Mitsubishi products; damage, secondary damage, accident compensation caused by special factors unpredictable by Mitsubishi; damages to products other than Mitsubishi products; and to other duties.

For safe use

- This product has been manufactured as a general-purpose part for general industries, and has not been designed or manufactured to be incorporated in a device or system used in purposes related to human life.
- Before using the product for special purposes such as nuclear power, electric power, aerospace, medicine or passenger movement vehicles, consult with Mitsubishi Electric.
- This product has been manufactured under strict quality control. However when installing the product where major accidents or losses could occur if the product fails, install appropriate backup or failsafe functions in the system.
